## Report of Independent Registered Public Accounting Firm

Potlatch Corporation, Plan Administrator  
Potlatch Corporation Savings Plan  
for Hourly Employees:

We have audited the accompanying statements of net assets available for benefits of Potlatch Corporation Savings Plan for Hourly Employees (the Plan) as of December 31, 2003 and 2002, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the plan as of December 31, 2003 and 2002, and the changes in net assets available for benefits for the years ended December 31, 2003 and 2002, in conformity with U.S. generally accepted accounting principles.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule H, line 4i – schedule of assets (held at end of year) and supplemental schedule H, line 4j – schedule of reportable transactions are presented for purposes of additional analysis and are not a required part of the basic financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. These supplemental schedules are the responsibility of the Plan's management. The supplemental schedules have been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, are fairly stated in all material respects, in relation to the basic financial statements taken as a whole.

FOR HOURLY EMPLOYEES**

Notes to Financial Statements

December 31, 2003 and 2002

**(1) Description of Plan**

The following description of the Potlatch Corporation Savings Plan for Hourly Employees (the Plan) is provided for general information. Participants should refer to the Plan document and the appendix for the appropriate participating unit for a more complete description of the Plan's provisions.

The Plan is sponsored and administered by Potlatch Corporation (the Company). The Plan is a defined contribution plan under the provisions of Section 401(a) of the Internal Revenue Code (IRC) which includes a cash or deferred arrangement under 401(k) of the IRC and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Putnam Fiduciary Trust Company is the trustee of the Plan.

During 2002, the Company sold the majority of its Printing Papers segment assets to a domestic subsidiary of Sappi Limited. The sale affected approximately 1,300 participants, who had several options with respect to their accounts in the Plan. These options included rolling their accounts into another employer's plan or an individual IRA, receiving a cash distribution of their accounts or continuing to maintain their accounts in the Plan, subject to certain restrictions.

Each eligible hourly employee (as defined in the Plan) who elects to participate in the Plan makes deferred contributions, through regular payroll deductions, equal to any whole percentage of monthly earnings, up to the percentage specified in the appendix applicable to the eligible employee's participating unit. Participants can also make rollover contributions representing distributions from other qualified plans, subject to certain restrictions. Participants may direct their contributions to be invested in the shares of six registered investment companies (mutual funds) and common collective investment trusts offered by Putnam Investment Management, Inc. (Putnam) and a Potlatch Stock Fund. Five mutual funds offered by companies other than Putnam were added as investment options effective January 1, 2003. Two other Putnam mutual funds were discontinued as investment options effective December 31, 2003. Participants can change their investment elections on a daily basis.

The Company makes matching contributions to the Plan on behalf of each plan participant equal to the matching rate (if any) specified in the appendix applicable to the participant's participating unit. Employer matching contributions are invested in the Potlatch Stock Fund. Employer matching contribution accounts may not be diversified into other investments until the participant reaches age 55. Employee and employer contributions are limited by certain restrictions as defined by the IRC.

A separate account is maintained for each participant of the Plan. Each account is credited with the employee and employer contributions and earnings thereon.

A participant's interest in his or her deferred, non-deferred and rollover accounts is fully vested and nonforfeitable at all times. A participant's interest in his or her matching account becomes vested based on the participant's years of service as defined in the Plan, according to the appendix applicable to the participant's participating unit. A participant's matching account will become 100% vested without regard to the participant's years of service if the Plan terminates, or if the participant attains age 65 as an employee of the Company, becomes totally and permanently disabled or dies while an employee. The portion of a participant's matching account not vested will be forfeited when the participant's employment terminates. As of the end of each year, forfeitures and the earnings of such forfeitures not used to restore

FOR HOURLY EMPLOYEES**

Notes to Financial Statements

the matching accounts of former participants rehired during the year will be credited against the amount of matching contributions for the following year or be used to pay Plan expenses, or a combination thereof. At December 31, 2003 and 2002, forfeited nonvested accounts totaled approximately \$9,400 and \$18,000, respectively. During 2003 and 2002, forfeitures totaling approximately \$17,300 and \$37,600, respectively, were used to pay Plan expenses.

Participants may borrow from their fund accounts as provided by the Plan as defined in the Plan documents. The loans are secured by the balance in the participant's account and bear interest at the prime rate in effect at the beginning of the month in which the loan is taken. Repayment of principal and interest is paid ratably through periodic payroll deductions. Loans outstanding at December 31, 2003 and 2002 bear interest at various rates ranging from 4.0% to 9.5% and mature at various times through 2018.

On termination of employment participants can elect to receive payment either in a lump-sum equal to the participant's vested interest in his or her account, roll their account balances into an IRA or another employer's plan, or maintain their accounts in the Plan.

Plan expenses are generally paid by the Company except to the extent that expenses are paid from participant forfeitures of employer matching contributions. Loan service fees are paid by the participant.

**(2) Summary of Significant Accounting Policies**

The financial statements of the Plan are prepared on the accrual basis of accounting. Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Investments in shares of registered investment companies are stated at fair value, based on the net asset value of the underlying investments and are valued daily. Investments in common and collective trusts are stated at fair value based on the value of the underlying investments and are expressed in units. The Putnam Stable Value Fund consists primarily of fully benefit-responsive investment contracts and is included in the financial statements at contract value, which represents contributions made under the contracts, plus earnings, less withdrawals and administrative expenses. The average yield to maturity and crediting interest rate was approximately 4.5% at December 31, 2003. The Potlatch Stock Fund is stated at fair value based on the quoted market price of the underlying shares of stock held at year-end. Participant loans are recorded at cost, which approximates fair value.

Distributions to participants are recorded when paid.

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan sponsor to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of increases and decreases in net assets available for benefits during the reporting period. Actual results could differ from those estimates and assumptions.

The Plan invests in shares of registered investment companies, common and collective trusts and the Potlatch Stock Fund. The underlying investments of such funds, in general, are exposed to various risks such as interest rate, credit, and overall market volatility. Due to the level of risk associated with such

FOR HOURLY EMPLOYEES**

investments, it is reasonably possible that changes in the values of underlying investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Certain prior year amounts have been reclassified to conform to the current year presentation.

**(3) Investments**

The fair value of individual investments that represent 5% or more of the Plan's net assets are as follows:

	<b>December 31</b>	
	<b>2003</b>	<b>2002</b>
Putnam Stable Value Fund	\$ 33,815,533	\$ 27,765,455

	<u>\$ 134,208,905</u>	<u>\$ 113,780,521</u>

During the years ended December 31, 2003 and 2002, the Plan's investments appreciated (depreciated) (including gains and losses on investments sold during the year and unrealized gains and losses at the end of the year) as follows:

	<b>Years ended December 31</b>	
	<b>2003</b>	<b>2002</b>
Shares in registered investment companies	\$ 10,851,211	\$ (16,162,578)

	<u>\$ 10,944,004</u>	<u>\$ (17,772,608)</u>

Potlatch Corporation common stock represented 29% and 24%, respectively, of net assets at December 31, 2003 and 2002. The fair value of Potlatch Corporation common stock at December 31, 2003 and 2002 was \$34.77 and \$23.88 per share, respectively.

**(4) Plan Termination**

Although the Plan sponsor expects to continue the Plan indefinitely, inasmuch as future conditions cannot be foreseen, the Plan sponsor reserves the right to amend or terminate the Plan at any time subject to the rules of ERISA. In the event of plan termination, participants will become 100% vested in their employer contributions.

**(5) Related Party Transactions**

Certain plan investments are shares of registered investment companies managed by Putnam. Putnam Fiduciary Trust Company, an affiliate of Putnam, is the trustee as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions.

**(6) Tax Status**

The Internal Revenue Service has determined by a letter dated April 16, 2003, that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan has been amended since that date, however management believes that the Plan is designed and continues to operate in compliance with the IRC.
